

Original Adopted Date: 10/14/2024

The District shall charge no fee for any course for which academic credit is awarded.

A student may be charged a reasonable fee for any non-credit course or non-curricular activity such as an extracurricular activity, student activity, or membership in a voluntary club or association. Fees may be waived in cases of financial hardship.

Additional fees may be charged for “enhanced programming and materials” which are voluntary enrichments to the curriculum beyond what is necessary to meet the learning expectations for a particular grade or course (i.e. students may wish to use a superior product or consumable than that provided by the school, in which case they may be asked to pay the additional cost of the upgrade). This includes online enrollment when solely a matter of preference.

The District may also offer for-fee educational programs which are to be solely paid for by the Empowering Parents Grant Program and in no instance subject the parent/guardian/student to a fee or cost for the program. Such programs shall not be for credit and shall not be required to obtain credit in any District course. Payment of such fees on behalf of a student through the grant distribution platform shall not cause the student to be counted for purposes of calculating public school enrollment.

The District will require, as condition of graduation or issuance of a diploma or certificate that all lawful indebtedness incurred by a student be satisfied and/or that all books or other instructional materials, uniforms, athletic equipment, advances on loans or other personal property of the District be returned.
