

Highland Elementary School
Grades K-6

2018-2019
Student Handbook

Revised August 2018

Dear Families,

Welcome to the 2018-2019 School year. The staff has spent their summer preparing for this school year and are eager to prepare students for college, career, and life. We also welcome four new staff members to our Highland family.

As we move forward our goals for the 2018-2019 school year will include:

- High quality instructional practices
- Ensuring all students and staff are safe
- Providing academic, social, emotional, and behavior supports for students

Safety and protection for students and staff is a priority and therefore ALL parents/patrons MUST stop in the office, sign in, and receive a visitor pass, even if you are just picking up your child for an appointment. Please do not pass the office without first checking in. If you would like your child to be waiting in the office, call ahead and school personnel will have them ready for check-out.

The district continues to offer free breakfast for all students. Breakfast is served between 7:35 a.m. and 8:00 a.m. The lunchroom will open at 7:35 a.m. Students should NOT arrive to school before 7:35.

My favorite part of the year is the first day of school. I love seeing the young students showing off their new haircuts and clothes, while the older students are excited about what the new year will bring.

Thank you for allowing us to educate your children, it truly is a privilege.

Sincerely,

Dr. Sarah Hatfield, Superintendent, K-6 Principal

School Song: The purpose for including the school song in the Student Handbook is to help create a climate in our school which helps to support one another. This is your school and one way among many that each student can help to encourage and foster a positive attitude is to support other students.

Highland Elementary Spirit Song

Black and Gold, Black and Gold,
Teach us some of the new and the old.
Black and Gold, Black and Gold,
So we'll grow up to be strong and bold
We're black, we're white
We're going in for the gold,
So let's hear it for the Highland Huskies

Highland High School Song

“Oh, we're all from mighty Highland,
And our teams are brave and bold.
We are pulling for a victory,
Because we're strong and true,
Loyal to the black and gold.

From the north we came to win this game,
Heaven help our helpless foes.
Come on and fight you Huskies,
Beat those _____,
Fight 'til the battle's won!”

PREFACE

A. Discrimination Statement

The Highland School District #305 does not discriminate on the basis of race, religion, color, national origin, disability, marital status, sex, or age in providing education or access to benefits of education services, activities, and programs in accordance with Title VI, Title VII, Title IX and other civil rights or discrimination issues; Section 504 of the Rehabilitation Act of 1973, as amended; and the Americans with Disabilities Act.

The following Highland Staff members have been designated as officers to coordinate compliance with the legal requirements and may be contacted at the Highland Schools for additional information and/or for compliance issues. Any complaint(s) arising out of a belief that discrimination issues have occurred will be handled by the designated officers:

Dr. Sarah Hatfield, Superintendent/Elementary Principal
Mr. Dennis Fredrickson, 7-12 Principal/Athletic Director

B. Acknowledgment of Receipt/Signature Page of Student Handbook and Release Form for Personal Information

Parents/guardians and students must acknowledge receipt of the Highland SD #305 Elementary School Handbook. This form may be found on pg. 40 of this Handbook. Parents in grades K-6 are also asked to sign and return the Internet Access Conduct Agreement on pg. 37 and Information Release form on pg. 38.

C. Code of Conduct

The code of conduct will be addressed under the four main bodies of the Handbook: 1) Enrollment and Attendance; 2) Students Rights and Responsibilities, 3) Student Protection, 4) General School Rules/Consequences. There are explicitly expressed standards that inform the students of the provisions of each section and expectations of students.

D. District Mission Statement and Goals for 2018-2019

Highland School District will provide education to all students so that they have the opportunity to learn at their individual optimum as determined by periodic assessment of academic growth for all.

Mission Goals

One: Instruction

We believe that student learning is the chief priority for the school and that all students can learn. Our work as educators in a learning community will:

- Emphasize challenging expectations to increase student performance
- Ensure a variety of learning activities and instructional approaches
- Develop in our students the habits of thinking, cooperation, and self-discipline
- Guide students to make appropriate decisions
- Value diversity

Two: Participation

We will actively seek the input and involvement of staff, parents, students, and the community when making educational decisions necessary to ensure every student's success. The school will:

- Share the responsibility with teachers, administration, parents, and community to ensure student success
- Expect students to demonstrate their essential knowledge and skills as well as be actively involved in solving problems and producing quality work

Three: Communication

We shall communicate, as effectively as possible, our progress, successes, and plans for the implementation of our goals. We will accomplish this using:

- Parents contacting teachers as needed
- Monthly newsletters
- Monthly board meetings
- Community input meetings (as needed for clarification)
- Teacher/Administrator correspondence
- Media

Four: Finance

We will develop annual operating and capital financial plans to implement the objectives necessary to achieve our goals and meet our contractual obligations in a manner that is fiscally

responsible to our community.

Five: Long Range Planning

We will develop, communicate, and implement long range educational and facilities plans based on student needs, equity and excellence, and fiscal responsibility.

E. School Calendar

School Calendar: The school calendar is a document that can be found on pages 7-8. Please notice that Highland School District is running a 4-day school week. This calendar will be useful to parents, students, community members and district employees in that it indicates full day sessions for student contact days, early release days for student contact days, in-service days for instructional staff, and days that school will not be in session. There are a total of 144 full student contact days for the 2017-2018 school year. The Kindergarten classes are held on Mondays, Tuesdays and Thursdays throughout the school year.

F. Scheduled Regular School Board Meetings

The Board of Directors for the Highland School District meets on a monthly basis. As stated in Board Policy, the meetings are to be held on the second Monday of each month and shall begin at 7:00 p.m. in the IEN room. Students, staff members, District employees, and community are encouraged to attend meetings. The meetings consist of an open session in which the Board of Directors conducts matters of business on behalf of the School District. There are, often, executive session meetings which are allowed under the Idaho Codes.

G. Policy Update and Locator Method:

During the spring of 2005, several community members, District employees, school administrators, and students met for the purpose of revising District Policies. The main attention was given to Section 400, which addresses Pupil and Personnel Services. In addition to working on Section 400, the Policy Revision Committee addressed the need for a Community Policy section. That new section is under the number series 800. While it is impossible to include every Policy in the Student Handbook, the Committee desired to place selected policy changes in the appropriate parts (I, II, or III). The Policy Committee revised and recommended several changes for policies to be acted upon by the board. Students and parents are encouraged to become familiar with all school policies. The District Policy Manual is located in the Highland SD #305 library. The district policy manual can also be found on the district website at http://www.sd305.k12.id.us/board/board_of_trustees.php.

H. School Improvement Committee

Highland School District has a School Improvement Committee, composed of staff, parents and community members. This committee is interested in parent feedback and is always looking for volunteers to serve on the committee. If interested, please contact the school office.

Part I - Enrollment and Attendance

A. Entrance, Placement, and Transfer

Parents and students are requested to complete entrance forms upon registration to Highland Elementary. Students will be placed in a classroom based on age, past school history, and/or any assessment data that is available. The Highland Elementary staff may choose to administer the survey section of the ISAT to provide additional information when placement is in question. New students will also take the STAR test.

B. Open Enrollment

Highland is an open enrollment district and tuition will be waived for out-of district students who meet the terms of this policy. Out of district students who wish to attend Highland must apply to the district for enrollment. Parents must complete a Pre-Enrollment Form and the General Information Form, which can be obtained in the Central Office. See Highland School District Policy 412.1

C. Immunization Requirements

Students enrolling in pre-school and kindergarten through 6th grade must show proof of receiving the following immunizations before attendance in the district.

Children born **before September 1, 2005** must show proof of receiving the following immunizations:

1. Five (5) or more doses of Diphtheria, Tetanus, and Pertussis (DTaP) vaccine, unless fewer doses are medically recommended.
2. Three (3) or more doses of Polio vaccine, unless fewer doses are medically recommended.
3. Two (2) dose each of Measles/Mumps/Rubella (MMR) vaccine, given after one year of age.
4. Three (3) doses of Hepatitis B vaccine.

Children born **after September 1, 2005** must show proof of receiving the following immunizations:

1. Five (5) or more doses of Diphtheria, Tetanus, and Pertussis (DTaP) vaccine, unless fewer doses are medically recommended.
2. Four (4) or more doses of Polio vaccine, unless fewer doses are medically recommended.
3. Two (2) doses each of Measles/Mumps/Rubella (MMR) vaccine, given after one year of age.
4. Two (2) doses of Varicella (Chickenpox).
5. Two (2) doses of Hepatitis A.
6. Three (3) doses of Hepatitis B vaccine.

Students' parents may claim an exemption to any or all of the required immunizations for medical, religious, or personal reasons. Please see HSD policy 411.1

D. Enrollment

Parents and students are asked to complete enrollment forms at least one day prior to the children's first day of classes. Transfer students are also asked to complete enrollment forms at least one day prior to

beginning class. This allows the staff to make sure that desks, books, workbooks, etc. are ready for the students' first day.

E. Attendance Records

Student Attendance records will be submitted by the classroom teacher, forwarded and stored by the school office. Attendance will be recorded in half-day or whole day absence, and tardiness will also be documented.

F. Compulsory Attendance

Every parent, guardian, or other person having custody of children between the ages of 7 and 16 shall cause the children to regularly attend the public schools of the district, when required to do so. Every parent, guardian, or other person having custody of children who attend the public schools shall bear the responsibility for the children's punctual attendance (**Idaho Code 33-202**). The services of the public schools of Idaho are extended to any acceptable person of school age. "School age" is defined as including all persons resident of the state, between the ages of five (5) and twenty-one (21).

G. Attendance Policy

All students are expected to be in attendance unless absent for unavoidable reasons. Students will be allowed to accumulate no more than seven (7) excused absences in a class period per semester. Any student that has more than the seven (7) excused absences will be subject to loss of credit due to excessive absences per the attendance review committee recommendation. The following are considered excused absences:

- Illness of student
- Doctors appointment
- Death in the family
- Summons to a court of law
- Family emergency

In order for an absence to be excused one of the following requirements must be met:

- Parent/guardian confirmation of the absence must be presented to the office secretary within two (2) school days of the absence. (A written note, email, text or phone call by parent/guardian will be considered the confirmation).
- Upon return to school from a doctor's appointment, the student must present a physician's excuse on the physician's letterhead or paperwork.

If the above requirements for an excused absence are not met, then the absence will be counted as unexcused and a zero will be recorded in any class missed. Any student that is more than 15 minutes late to class will be considered absent (unexcused). Any student that has three (3) unexcused absences will be subject to loss of credit per the attendance review committee recommendation. Student with any combination of excused and unexcused absences that results in over seven (7) absences will be subject to loss of credit per the attendance review committee recommendation.

Students who are absent, because of participation in school activities such as sports, band, drama, or class activity such as field trips, will be automatically excused, and such events will not count toward the seven (7) absence total.

Students that have habitual tardies and/or absences will be reported to the superintendent. The superintendent has the discretion to contact Child Protective Services (CPS), law enforcement or other agencies that are deemed appropriate to ensure that student have the opportunity to attend school.

H. Truancy

Truancy is an unexcused absence about which the parents and/or the school have no prior knowledge and no request has been received. Students will be expected to make up the time they missed either before or after school hours, at the discretion of school officials. Truancies must be made up by after school detention time exceeding the length of time the student was truant. It is the general rule that truant students will serve twice as many hours as were missed. Truancies, even when made up, count as absences in the seven permitted (HSD policy 411.0). According to Idaho Code 33-206, it is at the discretion of the Board of Trustees to refer habitually truant students to the prosecuting attorney.

I. Make-Up Work

For excused absences, students will be allowed to do make-up work either before, during, or after the absence and full credit shall be given. It is the responsibility of students to make up missed work, along with the support and assistance of the teacher and parents/guardians.

- In the case of pre-arranged absences, students shall get assignments before leaving. Assignments are due to the teacher upon the students' return to school.
- In the case of an un-planned absence, parents may call the office and request assignments be sent to the office. **Parents may pick up the assignments after 3:00 p.m.**

J. Tardy Policy

The school day begins at 8:00 at Highland Elementary. Students, who are not in their classroom when the 8:05 bell rings, will be counted as tardy. Students who are tardy will be required to make up the missed time during recess, lunch or after school. Three tardies equal a ½ day absence when figuring faithful attendance awards at the end of the year.

K. Education of Homeless (McKinney-Vento Law)

The McKinney-Vento Homeless Education Assistance Act protects families who are homeless. This includes families that are living in a shelter, motel, vehicle, or campground, on the street, in an abandoned building, trailer, or doubled up with friends or relatives. Please contact the school district for more information.

L. Students Legal Age

To be eligible to enter kindergarten, students must be five (5) years of age by the 1st day of September of that year. To be eligible to enter the first grade, students must be six (6) years of age by the 1st day of September of that year.

For resident exceptional children who are physically handicapped, developmentally delayed, mentally retarded, emotionally disturbed, chronically ill or have visual or auditory handicaps, or speech impairments, school age shall begin at the attainment of age three and shall continue until age 21.

All students entering school are required to submit birth certificates and immunization records.

M. Home Schools

When parents request that students who were formerly home schooled be enrolled at Highland, the grade level of the student will be determined by standardized testing in order to place the students at appropriate grade levels. Other regulations will follow guidelines set by the State Board of Education (HSD policy 412.3).

N. Special Programs

Highland School District provides several programs to support student learning:

- a. Special Education Pre-School- Highland provides a pre-school program for children with special needs, ages 3-5. The pre-school program is integrated with the Lewis County Head Start. Classes are held 3 days a week at 213 West Main, Craigmont. Referrals can be made at the school office or at the Pre-School.
- b. Special Education- Special Education services are provided for students in grades K-6. Referrals for Response to Intervention (RTI) services may be obtained by visiting the office or the special education classroom. This program utilizes an in-class model primarily along with a pullout model when deemed necessary.
- c. Title I- Our Title I program serves elementary students in both math and reading. The Special Education teacher and paraprofessionals work in the regular classroom to assist eligible students. Occasionally students receive support out of the classroom.
- d. Psychological/Counseling Services- There are psychological and counseling services available to students of Highland Elementary on a part-time basis. Services are provided through testing, counseling in and out of classrooms with individuals or groups as defined by need or request. Referrals for these services can be made by parents/guardians, teachers, the Highland Assistance Team, or the administration.
- e. Speech/Language Therapy-the Communication Disorder Specialist offers speech and language therapy to students in pre-school through grade six. Referrals can be made through classroom teachers, the RTI team, or the administration.
- f. Student Health Services-Highland School District contracts with the North Central Health Department for student health services. We have a school nurse who comes to our school monthly. The school nurse monitors student immunization records, conducts vision, hearing, and scoliosis screenings, and teaches classes on human development.

Part II - Student Rights and Responsibilities

A. Safe and Secure Learning Environment

The safety of every student, employee, and school visitor is one of the district's highest priorities. A safe and secure learning environment for all is required in order to maximize educational opportunities. The Board requires that any crimes, threats, and serious incidents related to the school setting be reported to the Superintendent (HSD policy 422.0).

B. Students Rights and Responsibilities Statement

- Students have a right to an education free from disruption from other students.
- Students have the right to due process (to be heard by an administrator).
- Students have the right to be safe in school.

In an effort to protect the safety of all students and staff, the District is adopting a new safety procedure which includes keeping all outside exits locked throughout the day, with the exception of the main office, gym breezeway, and one entrance from the elementary playground.

C. Concerns/Complaints

The district will endeavor to respond to and resolve all complaints in a fair, equitable and prompt manner. Parent concerns about the teaching staff should be referred first to the teacher. If your concern is not addressed to your satisfaction, then please follow the procedure outlined below:

Teacher

As soon as you have a concern, send a note, or post an e-mail (all staff e-mail addresses and phone numbers can be found at <http://www.sd305.org>), or call the teacher before or after instruction time. If the staff member is not reached, please leave your name and contact information, so he/she can contact you at the earliest convenience. Teachers wish to hear more, not less, from parents. The majority of misunderstanding can be resolved with the teacher.

Principal

If the issue has not been resolved to your satisfaction, send a note or call the Principal. The Principal will arrange for a meeting between the teacher or employee to whom the complaint was brought forth and the parent(s) or student(s). The arrangement for such meeting shall be made as soon as possible, along with written documentation.

Superintendent

The Principal and Superintendent shall meet with the parties involved to mediate a resolution, along with written documentation.

Board of Trustees

If the complaint is not resolved at the Principal/Superintendent level, the parents or students must submit a written complaint to be filed with the Board of Trustees (HSD policy 444.0).

Please note that “certificated employees of every school district shall be free from abuse by parents or other adults, as provided in Section 18-916, Idaho Code” (Section 33-1222, Idaho Code). All employees must be respected as they perform and direct their assigned roles.

D. Distributing and Posting of Materials/Announcements

Any individuals, organizations or groups wishing to send material home with students or to have information included in the announcements shall get pre-approval from the school principal.

E. Student Dress

Student dress shall only be regulated when, in the judgment of school staff and/or administration, there is a reasonable expectation that:

1. A health or safety hazard is presented by the students’ dress or appearance.
2. Damage to school property shall result from the students’ dress.
3. A disruption of the education process will result from the students’ dress or appearance.

Prohibited clothing includes the use of inappropriate messages, see-through clothing, or gang related symbols. Hats are not to be worn in the classroom. If students violate this rule, hats may be confiscated. Clothes, which in any way reveal undergarments, may be considered obscene. It is a general understanding that shorts/skirts need to be longer than extended fingertips. Undershirts, belly shirts, and spaghetti straps are not appropriate school dress. Students need to wear appropriate shoes on PE days.

If inappropriate clothes are worn to school, parents will be notified and alternative clothes will be given to the student for the day. Parents may be asked to bring a change of clothes from home.

F. Electronic Communication Devices/Personal Entertainment Devices

Game Boys, MP3 players, iPods, cell phones, etc. are not allowed on campus, unless cleared by the administration.

G. Sexual Harassment/Intimidation/Menacing/Bullying Policy

Highland School District has a no tolerance policy for sexual harassment, intimidation, menacing and bullying. If students should feel threatened, they should report their concern to their parents, teacher, and/or principal. Harassment/Bullying/Intimidation complaint forms are available in the school

office and must be completed to bring about an internal investigation (Form found on pg. 30-35).

H. Drug Free School Zone

Highland School is a drug free zone. This means that drugs, alcohol, and tobacco are not allowed on the school grounds.

I. Academic Honesty

All schoolwork submitted for the purpose of meeting course requirements must represent the efforts of the individual student. Any form of academic dishonesty is prohibited. Academic dishonesty includes, but is not limited to: plagiarism, cheating, forgery, copying or stealing another person's work, allowing another person to copy one's own work, doing another person's class work, creating more than one copy of one's work for distribution, intentionally accessing another's material for the purpose of using it as one's own, downloading information from other sources and presenting it as one's own, unauthorized copying of software, unauthorized use of hard copy or software to develop one's own software. Faculty and building administrators will have the responsibility for monitoring the above actions.

Where appropriate, parents shall be contacted as soon as practicable to report any alleged academic dishonesty on the part of students. Teachers are granted authority, with the direction and advice of their principals, to exercise their good judgment in applying a range of academic consequences for violations of this policy. Student and parent appeals of any consequences resulting from violations of this policy should be addressed to building administrator(s).

All teachers, beginning especially at the elementary grades, will educate students as to what constitutes academic dishonesty and what is acceptable and unacceptable behavior in our schools. A copy of the Academic Honesty Policy shall be included in student handbooks and shall be distributed to parents via district publications at least annually.

Cheating

Cheating is defined as and includes, but is not limited to, the following:

1. Copying or attempting to copy another student's homework, quiz, test, essay, or lab report.

2. Paraphrasing the source without proper citation.
3. Copying stories, in whole or part, which appear in books, magazines, television or film.
4. Copying directly, without making any changes, alterations or adaptations from a drawing, painting, illustration, photographic image, or graphic symbol without citing the source.

Part III - Student Protection

A. Evacuation Drills

Highland Elementary School conducts monthly fire drills. Students and staff are to exit the building in a calm, pre-determined manner (HSD policy 447.0).

B. Crisis Manual

Highland School District has a Crisis Manual that has protocol for students and staff in the case of an emergency. See the School Administration for additional information.

C. Emergency School Closure-Severe Weather/Disaster

In cases of severe weather (snow, ice, temperature, etc.), official notice of school closing may be heard over radio stations **KORT, KOZE, KLER,** and **TV stations** as the district makes contact.

The District does have a disaster plan in place. Students could be moved to alternate locations that have been arranged by the district. The district asks that parents/guardians please work with the school to **not** release or obtain students from school supervisions until contact has been made. It is important, if such an unfortunate event happens, that all community members work together to establish a proper enrollment count of students before release begins (HSD policy 446.0).

D. Visitor/Parent Check-In Policy

All visitors must check-in at the office when arriving. Parent visits are always welcome at Highland. Safety and protection for the students is a priority and therefore ALL parents/patrons **MUST** stop in the office, sign in and receive a visitor pass, even if you are just picking up your child for an appointment. If you would like your child to be waiting in the office, call ahead and school personnel will have them ready for check-out. If you are visiting or participating in any school organizations, you still **MUST** use the check-in procedure and attain a visitor's pass. Please refer to checkout procedure on pg. **14** (Part I, Section G).

E. Progress Reports/Report Cards

Report cards are sent home at the end of every 9 week period. At the end of the first and the third quarters, parents will receive their children's report cards at the parent/teacher conference. Report cards will be mailed one week following the end of the quarter for the remaining grading periods.

In grades 3-6, Progress Reports will be sent home mid-quarter. In grades K-6, parents will be contacted whenever students are experiencing difficulty with benchmarks. Parents are encouraged to make appointments with teachers whenever there is a concern.

F. Conferences

Elementary Parent-Teacher Conferences take place twice a school year at the end of the first quarter and the end of the third quarter. Teachers send letters home in advance with suggested appointment times. Parents are encouraged to attend conferences in order to discuss their child's progress.

G. School Day

Highland Elementary School will open at 7:45 a.m. However, students who arrive for breakfast will be served in the cafeteria beginning at 7:35 a.m.

Parents who want their children to receive extra help with their school work may contact the classroom teacher or building principal to arrange an earlier arrival time.

Because of safety/supervision issues, students will not be allowed on the playground, gymnasium or in the hallway before 7:45 a.m.

Students are asked to leave the school grounds upon dismissal, unless special arrangements have been made with the teacher or building principal.

H. Medication

Idaho State Law allows the school nurse, or other designated personnel (i.e. principal, secretary) to assist students in taking prescribed medication if the school obtains specific written instructions from physicians and parent/guardian. These forms are available in the office and must be signed by the parent/guardian if medication is to be administered to students during the school day. If your children need medication at school, please notify the office for compliance protocol (HSD policy 441.0).

I. Injury/Illness at School

Parents/guardians or listed alternate contacts will be notified when children are ill or injured at school. Please keep your children's general information form up to date, so parents or the listed contact person can be reached at all times during the school day.

Even with the greatest precautions and the closest supervision, accidents can and do happen at school. They are a fact of life and a part of the growing-up process our children go through. Parents need to be aware of this and be prepared for possible medical expenses that may arise should their children be injured at school.

J. Insurance

The school district does not provide accidental medical insurance to automatically pay for medical expenses when students are injured at school. This is the responsibility of parent/guardians.

Student medical insurance is available for families for their individual purchase through the district office. Brochures are available.

K. Telephone Use

Telephones are for official use only. Students are only permitted to make phone calls with permission from their teacher.

L. Textbooks and Supplies

All basic textbooks are loaned to students for their use during the school year. They are to write their names in the books as directed by the teacher. All books are to be kept clean and handled carefully. Students may be asked to purchase classroom supplies and materials for use in class. A class list of supplies is available from the district office.

M. Lunches

Forms for Free or Reduced Hot Lunch meals can be obtained from the district office. Parents/guardians are encouraged to fill out the forms. This program provides valuable support to students, and to the district through federal funding for additional programs.

Lunch costs (full price):

Elementary student lunch = \$2.75

Chocolate milk = \$ 0.50

Milk = \$ 0.50

Adult lunches = \$4.00

Children who bring sack lunches may purchase milk at the school and eat in the cafeteria. Hot lunches may be purchased from the school. Please pay for lunches in advance at the school office.

N. Birthday Treats/Wellness Policy

Building self-esteem is one of the goals of our elementary school. Students may bring treats for their class on the birthday or “un-birthday”. Arrangements need to be made with the classroom teacher in advance. We ask that all treats be purchased, rather than home-made. The district wellness policy encourages healthy eating choices for students and staff. Parents are encouraged to consider low fat/low sugar snacks. See pg. 28 for a list of healthy food choices. The Wellness policy may be found in the Highland School District Policy Book, Section 460.

Part IV - General School Rules/Consequences

A. General Rules

The Highland Elementary Staff will instruct all students to adopt and live by the belief statement: **I WILL NOT USE MY HANDS OR MY WORDS FOR HURTING MYSELF OR OTHERS.** This statement sets the tone for all behavioral expectations at Highland Elementary, whether in the classroom, lunchroom, playground, or other common areas.

One of the goals of education is to encourage independence and responsibility in students as they mature. Since an orderly atmosphere is essential for learning to take place, certain guidelines are offered for the personal welfare of the students and the common good of the entire school.

Follow Directions Politely the First Time they are Given.
Inappropriate and Illegal Materials are Not Allowed on School Property
Respect School and Personal Property
Stay in Assigned Areas
Totally Respectful to Others in Words and Actions

B. Discipline

Discipline applied by our school, in conjunction with parents, is intended to help you develop the responsibility of self-discipline, self-respect, and the respect for others necessary to function successfully in society. Discipline is applied in order to preserve the rights of other students and staff, and protect the educational process from dangerous and disruptive acts. The school staff believes it is our responsibility to administer a fair and comprehensive discipline policy. The purpose of this policy is to ensure the rights of all students to attend a school with a positive productive learning environment. Our long-range goal is to help all students experience the satisfaction of self-discipline. Our intent is to administer this policy in a consistent and fair way. When dealing with inappropriate behavior, we deal with the issues and behaviors that were observed. Then we assign appropriate consequences. Each of our staff members is anxious to work with students and parents to find solutions to problems. This will help make our school the very best it can possibly be.

2. Privileges – The use of the District's electronic networks is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. The system administrator (and/or building principal) will make all decisions regarding whether or not a user has violated these procedures, and may deny, revoke, or suspend access at any time. His or her decision is final.
3. Unacceptable Use – The user is responsible for his or her actions and activities involving the network. Some examples of unacceptable uses are:
 - a. Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any U.S. or state law;
 - b. Unauthorized downloading of software, regardless of whether it is copyrighted or devirused;

5. No Warranties – The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed deliveries, or service interruptions caused by its negligence or the user's errors or omissions. Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.

Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.

Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

9. Copyright Web Publishing Rules – Copyright law and District policy prohibit the republishing of text or graphics found on the Web or on District Websites or file servers, without explicit written permission.
- a. For each republication (on a Website or file server) of a graphic or text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the Web address of the original source.
 - b. Students and staff engaged in producing Web pages must provide library media specialists with e-mail or hard copy permissions before the Web pages are published. Printed evidence of the status of “public domain” documents must be provided.
 - c. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the Website displaying the material may not be considered a source of permission.
 - d. The “fair use” rules governing student reports in classrooms are less stringent and permit limited use of graphics and text.
 - e. Student work may only be published if there is written permission from both the parent/guardian and the student.
10. Use of Electronic Mail.

 - b. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account’s user. Unauthorized access by any student or staff member to an electronic mail account is strictly prohibited.
 - c. Each person should use the same degree of care in drafting an electronic mail message as would be put into a written memorandum or document. Nothing should be transmitted in an e-mail message that would be inappropriate in a letter or memorandum.
 - d. Electronic messages transmitted via the District’s Internet gateway carry with them an identification of the user’s Internet “domain.” This domain name is a registered domain name and identifies the author as being with the District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of this District. Users will be held personally responsible for the content of any and all electronic mail messages transmitted to external recipients.
 - e. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited, unless the user is certain of that message’s authenticity and the nature of the file so transmitted.
 - f. Use of the District’s electronic mail system constitutes consent to these regulations.

Internet Safety

1. Internet access is limited to only those “acceptable uses,” as detailed in these procedures. Internet safety is almost assured if users will not engage in “unacceptable uses,” as detailed in these procedures, and will otherwise follow these procedures.

As the parent or legal guardian of the above named-student, I have read, understand and agree that my child shall comply with the terms of the District's policy regarding District-Provided Access to Electronic Information, Services and Networks for the student's access to the District's computer network and/or the Internet. Dear Parents and students:

In an effort to improve communications with families, the staff has compiled the student handbook. It is a guide for you and your student. It is not meant to be a final interpretation of policy or possible district action. We hope that this guide will help in your understanding of the procedures and policies of Highland Schools. If you have any specific questions, please contact the office for clarification.

After reading the handbook, please sign and return this page to your child’s classroom teacher. Your signature signifies that you have received and read this copy of the Highland Elementary Handbook.

We appreciate your cooperation and support.
